

## Accommodation opportunity with Fassbind Hotels

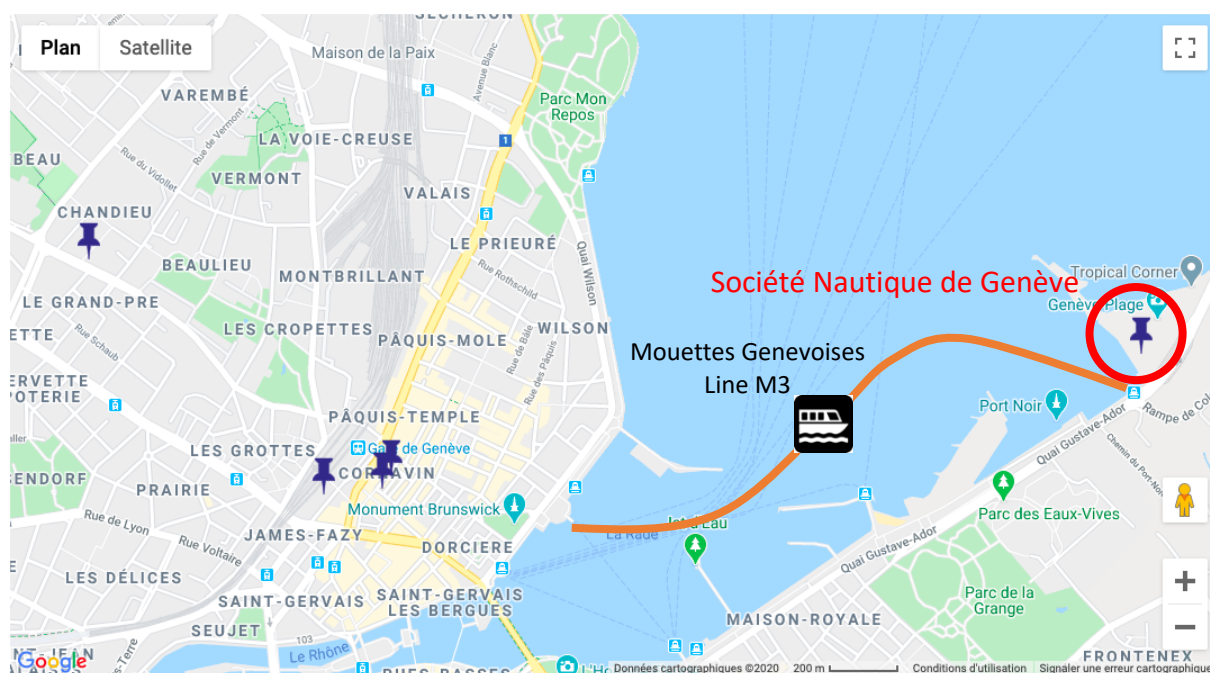

In the scope of the 2020 Nacra 15 World Championship, [Fassbind Hotels](https://fassbindhotels.ch) has decided to offer discounts in their hotels to every Nacra 15 sailor, coach or parent coming to Geneva for this event. You will find here all the details of their offer.

### Where are the hotels located?

Fassbind hotels have 4 hotels located in the centre of Geneva, more precisely near the station:

- **Cornavin\*\*\*\*** : Boulevard James-Fazy 23, 1201 Geneva, Switzerland
- **Cristal\*\*\*** : Rue Pradier 4, 1201 Geneva, Switzerland
- **Strasbourg\*\*\*** : Rue Pradier 10, 1201 Geneva, Switzerland
- **Les Nations\*\*\*** : Rue du Grand-Pré 62, 1202 Geneva, Switzerland

A lot of buses and tramways are passing in the area and will take you the Société Nautique de Genève in more or less 15 minutes. You can also take the boat service called “Mouettes Genevoises”. The line M3 will get you directly at the Société Nautique de Genève in more or less 10 minutes.

### What are they offering?

In each of their hotels, they are offering discounts. Here are the prices proposed for one night in Swiss Francs.

Price (CHF/night)	Cornavin****	Cristal***	Strasbourg***	Nations***
Single	130	110	100	100
Twin	150	140	130	130
Triple	200	170	-	160

This price takes into account all the taxes, the breakfast buffet as well as a public transport card you will be able to use at any time to circulate in Geneva. The card permits unlimited travel on Geneva's public transport network (UNIRESO: bus & tramways (TPG), train (CFF) and boat (Mouettes Genevoises)) for the full duration of your stay.

Moreover, due to the uncertain situation, you will be able to cancel your reservation without any additional fees until the arrival day 12:00!

### How to proceed?

To have access to these prices, you only have to do your reservation on [www.fassbindhotels.ch](http://www.fassbindhotels.ch) and use the promotional code: SNG. Be aware that there is another event at the same period in Geneva and the rooms may be booked very quickly! So don't take too much time for booking yours!

### Any questions concerning these accommodations?

Do not hesitate to contact [Fassbind Hotels](http://www.fassbindhotels.ch) !
